AG Bruning: Nebraska Files Motion to Dismiss in Michael Ryan Case

LINCOLN – Attorney General Bruning today released the following statement on the state’s motion filed today to dismiss Michael Ryan’s postconviction appeal in the Nebraska Supreme Court.

“Michael Ryan was found guilty and sentenced to death for brutally torturing and murdering another man more than 25 years ago,” said Bruning. “There is no doubt Ryan’s is guilty. These meritless appeals only serve to delay justice.”
